

WHY ME? (AS YOUR FREELANCE CONTENT STRATEGIST & DEVELOPER)

1. Can aid in achieving your business goals by maximizing commercial impact of content for you

2. Can develop content strategy plans (think big) and execute the plans (manage the micro details) for you

3. Can assist in increasing revenue and raising money by creating powerful sales and investor pitches

4. Can do attitude

EXPERIENCE AND EVIDENCE FOR 'WHY ME?'

- ✓ Created the content strategy and wrote and managed all the related content (website, social media, emailers, newsletters and blog) for www.skillzot.com with regards specific business objectives
- ✓ Implemented and managed SEO for www.skillzot.com (currently ranks #1 on Google for its related searches)
- ✓ Increased traffic to the portal by 100% in 6 months (as measured through Google Analytics)

- ✓ Led a team to create, implement and manage the creative programming strategy at MTV to help make it the number 1 youth channel (2008-2010)
- ✓ Developed, implemented and managed the music and content strategy to launch Big 92.7 FM radio across 6 metros

- ✓ Studied books by 4 thought leaders to develop a 2-day training program on 'impactful communication through presentations'. Has been conducted to train the trainers of HDFC Bank, senior professionals at Maersk and technology geeks at Syntel
- ✓ Have created various types of pitches/presentations for companies like ebay, Religare, Maersk and Tata Communication

- ✓ Founded and created 2 products (one bootstrapped, one angel funded) during my entrepreneurial stint with www.skillzot.com.
- ✓ Launched 16 radio stations in 1.5 years for Big FM, while wearing multiple hats, sans any prior radio or launch experience
